

## ABADI Skin Care Fact Sheet

**Our greatest desire is health and longevity. It is a quest captured perfectly in a word from Bali: ABADI. Welcome to your longevity.**

ABADI  
Advanced Anti-Aging Science

The facts about:

### **Purifying Cleansing Gel**

available in 4 fluid ounces/118 milliliters

Illumination begins with concentrated **Purifying Cleansing Gel** for surface pore cleansing and makeup removal. Ideal for all skin types, your face is soft, silky, prepared for the next step.

- Unusual and highly-effective blend of Glycolic, Lactic, Citric and Salicylic acids gently exfoliate away impurities without drying
- Panthenol and Niacinamide join with Vitamin B to help rehydrate while stimulating circulation
- Calendula, Chamomile and Witch Hazel extracts calm and soothe
- Lush Aloe Vera works to promote topical healing, leaving skin feeling refreshed

**Use** morning and evening by moistening a small amount and working into a luxurious foam. Massage onto face, neck and décolleté. Rinse thoroughly and pat dry. Follow with ABADI Balancing pH Toner.

ABADI  
Advanced Anti-Aging Science

The facts about:

**Balancing pH Toner**

available in 4 fluid ounces/118 milliliters

Rejuvenation succeeds with **Balancing pH Toner** to gently remove surface pollutants and tighten skin without drying. The ABADI ingredient complex removes residual makeup, helping restore energy and return skin to natural pH levels. Ideal for all skin types to refresh, revitalize and create a silky feel.

- Green Tea and Grape Seed extracts add surface antioxidant power and protection from free radical damage while helping improve elasticity
- Delicate and efficacious Elderberry Flower and Chamomile work to reduce redness while calming and soothing
- Bisabolol provides hydration

**Use** morning and evening after cleansing by spraying onto cotton pad and wiping face, neck and décolleté. Follow with ABADI Line Repair Serum, our Cellular Renewal Day Cream or Cellular Restorative Night Cream. Mist directly onto skin to set makeup or whenever face needs refreshing.

ABADI  
Advanced Anti-Aging Science

The facts about:

**Line Repair Serum**

available in 1 fluid ounce/30 milliliters

Resilience increases with **Line Repair Serum**, an intense therapy to dramatically reduce the appearance of fine lines, deeper wrinkles and other imperfections. A true alternative to more invasive treatments, this serum produces a youthful look that's smooth and lasting.

- Black Tea Ferment works to naturally smooth skin, even tone and increase clarity and luminosity
- Naturally occurring Hyaluronic Acid provides superior hydration to all layers of skin, plumping from within to reverse the look of wrinkles
- Kombuchka fills to increase volume while Squalane, a natural moisturizing factor, strengthens skin's barrier function to prevent moisture loss.

**Use** morning and evening by gently massaging a small amount onto lines, wrinkles and crow's feet. Tap area until completely absorbed. Also apply above lip line, directly to lips, or where deep lines appear. Follow with ABADI Cellular Renewal Day Cream or our Cellular Restorative Night Cream.

ABADI  
Advanced Anti-Aging Science

The facts about:

**Cellular Renewal Day Cream**

available in 1.5 fluid ounces/45 milliliters

Luxury arrives with **Cellular Renewal Day Cream**, a light, effective moisturizer for deep hydration, strength and contoured lift. Rich ingredients help to improve elasticity as ABADI's complex enhances cellular renewal. Lines and wrinkles appear immediately minimized as skin becomes visibly toned. Luminous.

- Resveratrol, inside a superior antioxidant blend, fights damaging free radicals to help reduce redness and irritation
- Artemia Salina infuses skin with oxygen to accelerate cell metabolism, enhance maintenance and assist in protecting skin from environmental stress
- Phyto AI PF-Hydrolyzed Algin works to stimulate skin stem cells for a look that's healthy, vital and youthful

**Use** after cleansing and toning each morning by gently massaging a small amount across face, neck and décolleté until absorbed. For best results, apply after ABADI Line Repair Serum. Follow with our Revitalizing Eye Treatment.

ABADI  
Advanced Anti-Aging Science

The facts about:

**Cellular Restorative Night Cream**  
available in 4 fluid ounces/118 milliliters

Restoration continues with **Cellular Restorative Night Cream**, an enriched formula that helps condition and repair skin while you sleep. Deeper lines and wrinkles appear diminished and collagen is synthesized for firmer, more resilient skin. Wake up to a more youthful face. Luxurious.

- Merospheres stimulate lipid production, improving the skin barrier to prevent moisture loss and eliminate dryness
- Sweet Pea and Edelweiss extract help strengthen skin's natural defense mechanism while providing antioxidant protection
- Nourishing Rose Hips Oil, a bio-identical form of retinoic acid, helps improve visible scarring and roughness
- Resveratrol fights damaging free radicals to help reduce UV damage, remove redness and restore a healthy glow

**Use** after cleansing and toning each evening by gently massaging a small amount onto face, neck and décolleté until absorbed. For best result, apply after ABADI Line Repair Serum. Follow with our Revitalizing Eye Treatment. Sleep well.

ABADI  
Advanced Anti-Aging Science

The facts about:

**Revitalizing Eye Treatment**

available in .5 fluid ounces/15 milliliters

Elegance continues with **Revitalizing Eye Treatment** for lifting, firming and toning. The powerful combination of all ABADI complexes and antioxidants works to visibly reduce wrinkles, eliminate dark circles and brighten eyes.

- Saccharomyces Ferment Lysate helps strengthen collagen synthesis for buoyancy
- Artemia Salina infuses skin with oxygen and helps increase circulation to diminish puffiness
- Light Diffusers encourage youthful radiance, mask imperfections and produce immediate results

**Use** morning and evening after moisturizing by patting a small amount around eye area until completely absorbed. Be careful not to pull or tug delicate skin; keep away from lash line.

ABADI  
Advanced Anti-Aging Science

The facts about:

**Lift & Firm Peel Off Mask**  
available in 4 ounces/115 grams

Luminosity appears with **Lift & Firm Peel Off Mask** for immediate and visible transformation. Its unique, targeted ingredient structure works to help provide exceptional lift, firmness and overall tone. With each peel, it removes dead surface cells and impurities. The appearance of age is reversed and your skin radiates a healthy glow.

- Firming Neuropeptides work to relax natural muscle contractions, helping erase the appearance of lines and wrinkles
- Willow Bark, Bilberry, Sugar Cane, Orange, Sugar Maple, Lemon and Fennel Seed extracts deeply cleanse pores, improve exfoliation and re-balance skin's natural oils
- Saccharomyces/Zinc Ferment help tighten and firm skin

**Use** once each week by applying a thin coat to face, neck and décolleté. Allow to dry. Then peel upwards from the mask's lowest point. Remove any residue with a soft cloth. Use before special occasions for a positively glowing complexion.
